## **SKI and SNOWBOARD RESERVATIONS**

This year, Ski and Snowboard rental reservations can be made through the new rental shop at the Marriott, called "True North." They offer performance and demo equipment. The prices for these packages are as follows and would be in addition to the previous quoted peak season ticket prices.

- Demo Ski/SB Package: \$67.50/day
- Performance Ski/SB package: \$60/day
- Kids Ski/SB Package: \$40.50/day

In order to reserve your rental, please follow the link [www.rentskis.com/CME](http://www.rentskis.com/CME) (this link is also provided on our website at <https://courses.ccme.org/course/ema/locations> under the Vail location and description). You will be able to pre-book your rentals using this link.

Please note that the rental shops are not allowing walk-ins for groups, so everyone who is renting with our group will need to complete the online registration at least two weeks prior to the trip.

Please email [support@ccme.org](mailto:support@ccme.org) with any questions or concerns. We look forward to seeing you at the conference and on the slopes!
